## AUGUST CRN MEETING + SURVEY

At this month's CRN Meeting we heard from the [Bellingham Public Library](#) about the work they are doing to be a community hub through their programming, learning materials, resources, and partnerships with service provider agencies. View the slides from that presentation [here](#).

Please take a couple of minutes to complete our short survey. We want your feedback on how you use the Community Resource Network. Our goal is to make this a resource sharing platform that is as relevant and useful to service providers in our community as possible.
