Information:

The City of Bellingham has partnered with Opportunity Council's Homeless Outreach Team (HOT) to develop a program to help support people's need to maintain their hygiene needs. The Street Hygiene Outreach Team (SHOT) will be offering access to hot showers until Waystation opens, and is located behind City Hall in the back parking lot.

People experiencing homelessness will be able to access the shower trailer to take a warm shower and meet their hygiene needs. To access the showers, the following procedure will be in place:

- Clients will sign-in and provide their first and last name, and date of birth.
- Clients will review a liability form and sign it.
- Clients will be asked to agree to all behavioral expectations and codes of conduct set in place.
- Towel and hygiene kit provided by SHOT.
- Each shower will last 15 minutes, with a final 5 minute warning.
- Members of SHOT will clean and sanitize each stall after each shower.
- No limit to the number of days or times a Client can shower.
